

U.S. CENSUS BUREAU TRAINING SEPTEMBER 2, 2015

Census Demographic Data Resources

Census Data & Resources for GIS Users

Location:
**Kent County
Administrative
Complex**
Room 220
555 Bay Road
Dover, DE 19901

Census Demographic Data Resources:

Learn about Census Bureau demographic programs/surveys such as the Decennial Census, American Community Survey, Current Population Survey and Small Areas Income Estimates. The program will cover how to use data tools such as American Fact Finder, Quickfacts and Census Explorer.

Census Data and Resources for GIS Users:

This course is geared for GIS users and those interested in the history of census geographies. There will be an overview of the MAF/TIGER database and post-census geographic areas. Attendees will learn how to acquire and access TIGER products from census.gov and American Fact Finder.

Space is limited! First come, First served! Register by August 21, 2015!

For Questions, call Laura Simmons (302) 739-3090.

Sign up for 1 or both classes. *Both classes are FREE*
